The cute mini suitcase pattern is the perfect for storing all of your dolls belongings and it doubles up as a bed too! Be aware that crochet terms in the United States are different from those in the U.K. This can be confusing as the same terms are used to refer to different stitches under each system. All crochet patterns in this book are written in U.K. and European terms. U.S. crocheters must take care that they work the correct stitches. One way to tell which system is being used in other patterns is that the American system starts with a single crochet, which the U.K. system doesn't have; so patterns with "sc" in them can be identified as American patterns.
