 The point of the no contact rule isn't to make your ex miss you -

that's just a natural byproduct of the rule. The point of the no contact rule is to prove to yourself that you can live without your ex - and give yourself the time and space you need to process the breakup and move on with your life. The No Contact Rule: Everything You Need To Know The only way you'll know what he's up to is if you don't follow the no contact rule, or if

you do, but you break the rule within the rule, which is not to check up on him on social media. Even if he isn't the guy for you, seeing him with another girl will be profoundly painful. 9 Biggest Reasons Why the No Contact Rule Always Works The No Contact Rule = The premise behind NC (no contact) is that you basically cut off all communication with your ex for a certain

amount of time with the intent of making them miss you while at the same time facilitating a recovery (more on that in a second.)
