Go Away, Big
 Green
 Monster!
 HarperCollins
 Each day the
 teeny tiny
 ghost goes to
 haunting
 school to try
 to become
 scarier. It's
 hard work,
 though --
 especially
 since he's
 frightened by
 his own
 screams!
 Then, one bat-
 black October
 night, the
 teeny tiny
 ghost is
 floating in his
 teeny tiny
 home when he
 hears a RAP
 TAP TAP on
 the door. And

then he knows
 it's up to him
 to keep
 himself and
 his teeny tiny
 cats safe. But
 what are the
 chances that a
 teeny tiny
 timid ghost
 will really be
 able to scare
 someone
 away?

The Little Ghost Who Lost Her Boo!

Harper Collins Susan Pearson has written her own unique version of the popular song, "We're Going on a Bear Hunt," introducing four children who go out at night in search of a ghost. After squish-

squash-squoooshing through a swamp, rustle-rustle-rat-a-tattling through a cornfield, and overcoming all kinds of obstacles on their journey, they come face to face with a ghost in a graveyard. Then--RUN! RUN! RUN!--they race back to the safety of their warm, cozy house. S.D. Schindler's spirited illustrations bring warmth and humor to this lively rhyming read-aloud. *The Spooky*

While stoically dealing with racial abuse in a country where Africans are known as black ghosts, he is too timid to engage in the money-making schemes available to students. Yet he remains haunted by the weight of his mother's expectations, encapsulated by the image of the African

fish eagle. But the best he can do is a safe job in a bar run by the enigmatic Wang. Things take a dramatic turn when Chinese students pour into the streets in an orgy of violence to drive Africans out of town. Dan's first impulse is to escape to Zimbabwe but the pressure from his family and the love for his girlfriend Lai Ying force him to stay put. In the aftermath of the riots, tight rules force the

foreign students to create innovative ways to see their girlfriends, and in the midst of all this, Lai Ying gets pregnant and secretly procures an abortion. Nothing will ever be the same again. The Telltale Lilac Bush and Other West Virginia Ghost Tales Peryton Press

Now every parent, grandparent, or teacher can explain to a child the difference between appropriate and inappropriate touching in a way that young boys

and girls can understand. As a child, there are constantly people trying to pick you up, hug you, or tickle you. Sometimes, though, children fall victims to people who try to touch them inappropriately. But how do you tell someone, most likely an adult, that you don't want to be touched? Or, if it has already happened, how do you tell an adult you trust about what happened?

You're only a child, and they're the adults. Why would they believe you? My Body Belongs to Me from My Head to My Toes is an educational tool to help instill confidence in children when it comes to their bodies. The narrative of the story is led by a girl named Clara, who encourages kids to say "no" if they are uncomfortable with physical contact. The narrator gives readers tips about what

they can say or do to avoid unwanted physical contact, or how to tell the right people in the event it has already occurred. My Body Belongs to Me from My Head to My Toes is an invaluable resource that gives children a voice in uncomfortable situations.
