RANDOLPH TRISTIAN

The Eleanor Roosevelt Papers Penguin UK

This illustrated, first of its kind collection of excerpts from Eleanor Roosevelt's newspaper columns, radio talks, speeches, and correspondence speaks directly to the challenges we face today. Acclaimed for her roles in politics and diplomacy, first lady Eleanor Roosevelt was also a prolific author, journalist, lecturer, broadcaster, educator, and public personality. Using excerpts from her books, columns, articles, press conferences, speeches, radio talks, and correspondence, *Eleanor Roosevelt: In Her Words* tracks her contributions from the 1920s, when she entered

journalism and public life; through the White House years, when she campaigned for racial justice, the labor movement, and "the forgotten woman;" to the postwar era, when she served at the United Nations and shaped the Universal Declaration of Human Rights. Selections touch on Roosevelt's early entries in women's magazines ("Ten Rules for Success in Marriage"), her insights on women in politics ("Women Must Learn to Play the Game As Men Do"), her commentary on World War II ("What We Are Fighting For"), her work for civil rights ("The Four Equalities"), her clash with Soviet delegates at the UN ("These Same Old Stale Charges"), and her advice literature ("If You Ask Me"). Surprises include her unique preparation for leadership, the skill with which she defied critics and grasped authority, her competitive stance as a professional, and the force of her political messages to

modern readers. Scorning the "America First" mindset, Eleanor Roosevelt underlined the interdependence of people and of nations. *Eleanor Roosevelt: In Her Words* illuminates her achievement as a champion of civil rights, human rights, and democratic ideals.

What Libraries Mean to the Nation Simon and Schuster

She was born before women had the right to vote yet went on to become one of America's most influential First Ladies. A Gallup poll named her one of the most admired people of the twentieth century and she remains well known as a role model for a life well lived. Roosevelt wrote *You Learn by Living* at the age of seventy-six, just two years before her death. The commonsense ideas and heartfelt ideals presented in this volume are as relevant today as they were five decades ago. Her keys to a fulfilling life? Some of her responses include: learning to learn, the art of maturity, and getting the best out of others.

The Autobiography of Eleanor Roosevelt Simon and Schuster

"I think Eleanor Roosevelt has so gripped the imagination of this moment because we need her and her vision so completely. . . . She's perfect for us as we enter the twenty-first century. Eleanor Roosevelt is a loud and profound voice for people who want to change the world." -- Blanche Wiesen Cook Named "Woman of the Century" in a survey conducted by the National Women's Hall of Fame, Eleanor Roosevelt wrote her hugely popular syndicated column "My Day" for over a quarter of that century, from 1936 to 1962. This collection brings together for the first time in a single volume the most memorable of those columns, written with singular wit, elegance, compassion, and insight -- everything from her personal perspectives on the New Deal and World War II to

the painstaking diplomacy required of her as chair of the United Nations Committee on Human Rights after the war to the joys of gardening at her beloved Hyde Park home. To quote Arthur Schlesinger, Jr., "What a remarkable woman she was! These sprightly and touching selections from Eleanor Roosevelt's famous column evoke an extraordinary personality." "My Day reminds us how great a woman she was." --Atlanta Journal-Constitution

[The Eleanor Roosevelt Papers: The human rights years, 1949-1952](#) Open Road Media

The New York Times bestseller from prizewinning author David Michaelis presents a "stunning" (The Wall Street Journal) breakthrough portrait of Eleanor Roosevelt, America's longest-serving First Lady, an avatar of democracy whose ever-expanding agency as diplomat, activist, and humanitarian made her one of the world's most widely admired and influential women. In the first single-volume cradle-to-grave portrait in six decades, acclaimed biographer David Michaelis delivers a stunning account of Eleanor Roosevelt's remarkable life of transformation. An orphaned niece of President Theodore Roosevelt, she converted her Gilded Age childhood of denial and secrecy into an irreconcilable marriage with her ambitious fifth cousin Franklin. Despite their inability to make each other happy, Franklin Roosevelt transformed Eleanor from a settlement house volunteer on New York's Lower East Side into a matching partner in New York's most important power couple in a generation. When Eleanor discovered Franklin's betrayal with her younger, prettier, social secretary, Lucy Mercer, she offered a divorce and vowed to face herself honestly. Here is an Eleanor both more

vulnerable and more aggressive, more psychologically aware and sexually adaptable than we knew. She came to accept her FDR's bond with his executive assistant, Missy LeHand; she allowed her children to live their own lives, as she never could; and she explored her sexual attraction to women, among them a star female reporter on FDR's first presidential campaign, and younger men. Eleanor needed emotional connection. She pursued deeper relationships wherever she could find them. Throughout her life and travels, there was always another person or place she wanted to heal. As FDR struggled to recover from polio, Eleanor became a voice for the voiceless, her husband's proxy in the White House. Later, she would be the architect of international human rights and world citizen of the Atomic Age, urging Americans to cope with the anxiety of global annihilation by cultivating a "world mind." She insisted that we cannot live for ourselves alone but must learn to live together or we will die together. This "absolutely spellbinding," (The Washington Post) "complex and sensitive portrait" (The Guardian) is not just a comprehensive biography of a major American figure, but the story of an American ideal: how our freedom is always a choice. Eleanor rediscovers a model of what is noble and evergreen in the American character, a model we need today more than ever.

You Learn by Living Knopf

A New York Times Bestseller "Lash has reached the highest level of the biographer's art...Astounding." —Wall Street Journal Joseph P. Lash, Pulitzer Prize-winning biographer and National Book Award-winning writer of Eleanor and Franklin, turns to the seventeen years Eleanor Roosevelt lived after FDR's death in 1945. Already a major figure in her own right, Roosevelt gained

new stature with her work at the United Nations and her contributions to the Universal Declaration of Human Rights. She continued her activism on behalf of civil rights, as well as her humanitarian work, which led President Harry Truman to call her the First Lady of the World. Lash has created an extraordinary portrait of an extraordinary person.

I Am Eleanor Roosevelt Black Dog & Leventhal

"...A worthwhile and significant addition to any elementary collection." - School Library Journal

Kindred Souls Sleeping Bear Press

Although born to a life of privilege and married to the President of the United States, Eleanor Roosevelt was a staunch and lifelong advocate for workers and, for more than twenty-five years, a proud member of the AFL-CIO's Newspaper Guild. *She Was One of Us* tells for the first time the story of her deep and lasting ties to the American labor movement. Brigid O'Farrell follows Roosevelt—one of the most admired and, in her time, controversial women in the world—from the tenements of New York City to the White House, from local union halls to the convention floor of the AFL-CIO, from coal mines to political rallies to the United Nations. Roosevelt worked with activists around the world to develop a shared vision of labor rights as human rights, which are central to democracy. In her view, everyone had the right to a decent job, fair working conditions, a living wage, and a voice at work. *She Was One of Us* provides a fresh and compelling account of her activities on behalf of workers, her guiding principles, her circle of friends—including Rose Schneiderman of the Women's Trade Union League and the garment unions and Walter Reuther, "the most dangerous man in

Detroit"—and her adversaries, such as the influential journalist Westbrook Pegler, who attacked her as a dilettante and her labor allies as "thugs and extortioners." As O'Farrell makes clear, Roosevelt was not afraid to take on opponents of workers' rights or to criticize labor leaders if they abused their power; she never wavered in her support for the rank and file. Today, union membership has declined to levels not seen since the Great Depression, and the silencing of American workers has contributed to rising inequality. In *She Was One of Us*, Eleanor Roosevelt's voice can once again be heard by those still working for social justice and human rights.

It's Up to the Women Harper Collins

Examines Eleanor Roosevelt's life as a professional woman, a wife and mother, and, finally, a woman who illuminated her times and exemplified the complexities of womanhood in the twentieth century.

Eleanor in the Village Penguin

The poignant and unforgettable true account of the deep, loving friendship between a handsome physician and the former First Lady, as seen on PBS's *The Roosevelts: An Intimate History* "I love you as I love and have never loved anyone else." —Eleanor Roosevelt in a letter to Dr. David Gurewitsch, 1955 She was the most famous and admired woman in America. He was a strikingly handsome doctor, eighteen years her junior. Eleanor Roosevelt first met David Gurewitsch in 1944. He was making a house call to a patient when the door opened to reveal the wife of the president of the United States, who had come to help her sick friend. A year later, Gurewitsch was Mrs. Roosevelt's personal physician, on his way to becoming the great lady's dearest

companion—a relationship that would endure until Mrs. Roosevelt's death in 1962. Recounting the details of this remarkable union is an intimately involved chronicler: Gurewitsch's wife, Edna. *Kindred Souls* is a rare love story—the tale of a friendship between two extraordinary people, based on trust, exchange of confidences, and profound interest in and respect for each other's work. With perceptiveness, compassion, admiration, and deep affection, the author recalls the final decade and a half of the former First Lady's exceptional life, from her first encounter with the man who would become Mrs. Gurewitsch's husband through the blossoming of a unique bond and platonic love. Blended into her tender reminiscences are excerpts from the enduring correspondence between Dr. Gurewitsch and the First Lady, and a collection of personal photographs of the Gurewitsch and Roosevelt families. The result is a revealing portrait of one of the twentieth century's most beloved icons in the last years of her life—a woman whom the author warmly praises as "one of the few people in this world in which greatness and modesty could coexist."

If You Ask Me Vintage

Available again in time for election season, *Eleanor Roosevelt's* most important book—a battle cry for civil rights As relevant and influential now as it was when first published in 1963, *Tomorrow Is Now* is Eleanor Roosevelt's manifesto and her final effort to move America toward the community she hoped it would become. In bold, blunt prose, one of the greatest First Ladies of American history traces her country's struggle to embrace democracy and presents her declaration against fear, timidity, complacency, and national arrogance. An open, unrestrained look

into her mind and heart as well as a clarion call to action, *Tomorrow Is Now* is the work Eleanor Roosevelt willed herself to stay alive to finish writing. For this edition, former U.S. President Bill Clinton contributes a new foreword and Roosevelt historian Allida Black provides an authoritative introduction focusing on Eleanor Roosevelt's diplomatic career. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Eleanor and Hick UNC Press Books

Based on Eleanor Roosevelt's voluminous correspondence, this new biography focuses on the former first Lady's emotional life. Part of the character study comes from the recently available letters between Lorena Hickok and Eleanor. Presents the story of Eleanor's friendships, political work, family relations and close friends, including the author, who inspired or assisted Eleanor in her private and public lives.

What She Ate Random House

A vivid and intimate portrait of the New Deal president by the first woman ever appointed to the U.S. Cabinet. When Frances Perkins first met Franklin D. Roosevelt at a dance in 1910, she was a young social worker and he was an attractive young man making a modest debut in state politics. Over the next thirty-five years, she watched his career unfold, becoming both a close

family friend and a trusted political associate whose tenure as secretary of labor spanned his entire administration. FDR and his presidential policies continue to be widely discussed in the classroom and in the media, and *The Roosevelt I Knew* offers a unique window onto the man whose courage and pioneering reforms still resonate in the lives of Americans today.

A World Made New Houghton Mifflin Harcourt

Experience the "heartwarming, smart, and at times even humorous" (*Woman's World*) wisdom of Eleanor Roosevelt in this annotated collection of the candid advice columns that she wrote for more than twenty years. In 1941, Eleanor Roosevelt embarked on a new career as an advice columnist. She had already transformed the role of first lady with her regular press conferences, her activism on behalf of women, minorities, and youth, her lecture tours, and her syndicated newspaper column. When *Ladies Home Journal* offered her an advice column, she embraced it as yet another way for her to connect with the public. "If You Ask Me" quickly became a lifeline for Americans of all ages. Over the twenty years that Eleanor wrote her advice column, no question was too trivial and no topic was out of bounds. Practical, warm-hearted, and often witty, Eleanor's answers were so forthright her editors included a disclaimer that her views were not necessarily those of the magazines or the Roosevelt administration. Asked, for example, if she had any Republican friends, she replied, "I hope so." Queried about whether or when she would retire, she said, "I never plan ahead." As for the suggestion that federal or state governments build public bomb shelters, she considered the idea "nonsense." Covering a wide variety of topics—everything from war, peace,

and politics to love, marriage, religion, and popular culture—these columns reveal Eleanor Roosevelt’s warmth, humanity, and timeless relevance.

Eleanor Longman Publishing Group

From the acclaimed author of John F. Kennedy: An Unfinished Life, the biography of one of America's greatest presidents, Franklin D. Roosevelt. Roosevelt was the only American president ever to serve four terms. He came from the highest echelons of American society, and though progressively incapacitated by polio from the age of thirty-nine, never showed the slightest self-pity, refusing to allow the disease to constrain his ambition or his place in public life. During the Depression of the 1930s he became the foremost presidential champion of the needy, instituted the famous New Deal and brought about revolutionary changes in America's social and political institutions. Two years into the Second World War he persuaded Americans that it was their unavoidable duty to fight, and brought about a profound reversal in the country's foreign policy. During that titanic conflict he formed a unique friendship with Winston Churchill, and became the central figure in the Western Alliance. Dallek attributes FDR's success to two remarkable political insights. First, more than any other president, he understood that effectiveness in American politics depended on building a national consensus and commanding stable long-term popular support. Second, he made the presidency the central, most influential institution in modern America's political system. In addressing the country's international and domestic problems, Roosevelt recognized the vital importance of remaining closely attentive to the full range of public sentiment around the

decisions made by government—perhaps his most enduring lesson in effective leadership. In an era of national and international division, there could be no more timely biography of America's preeminent twentieth-century leader than one that demonstrates his unparalleled ability as a uniter and consensus maker.

Who Was Eleanor Roosevelt? Penguin

A Washington Post Notable Nonfiction Book of 2017 One of NPR Fresh Air's "Books to Close Out a Chaotic 2017" NPR's Book Concierge Guide To 2017's Great Reads “How lucky for us readers that Shapiro has been listening so perceptively for decades to the language of food.” —Maureen Corrigan, NPR Fresh Air Six “mouthwatering” (Eater.com) short takes on six famous women through the lens of food and cooking, probing how their attitudes toward food can offer surprising new insights into their lives, and our own. Everyone eats, and food touches on every aspect of our lives—social and cultural, personal and political. Yet most biographers pay little attention to people’s attitudes toward food, as if the great and notable never bothered to think about what was on the plate in front of them. Once we ask how somebody relates to food, we find a whole world of different and provocative ways to understand her. Food stories can be as intimate and revealing as stories of love, work, or coming-of-age. Each of the six women in this entertaining group portrait was famous in her time, and most are still famous in ours; but until now, nobody has told their lives from the point of view of the kitchen and the table. What She Ate is a lively and unpredictable array of women; what they have in common with one another (and us) is a powerful relationship with food. They include Dorothy Wordsworth, whose food story transforms our picture of

the life she shared with her famous poet brother; Rosa Lewis, the Edwardian-era Cockney caterer who cooked her way up the social ladder; Eleanor Roosevelt, First Lady and rigorous protector of the worst cook in White House history; Eva Braun, Hitler's mistress, who challenges our warm associations of food, family, and table; Barbara Pym, whose witty books upend a host of stereotypes about postwar British cuisine; and Helen Gurley Brown, the editor of *Cosmopolitan*, whose commitment to "having it all" meant having almost nothing on the plate except a supersized portion of diet gelatin.

Love, Eleanor Westminster John Knox Press

Publisher Description

Christmas Simon and Schuster

A leveled Reader based on an episode from the PBS KIDS animated television series *Xavier Riddle and the Secret Museum* starring Eleanor Roosevelt. Based on the children's book series *Ordinary People Change the World* by New York Times bestselling author Brad Meltzer and illustrator Christopher Eliopoulos, the series will introduce kids to inspiring historical figures and the character virtues that helped them succeed. Eleanor Roosevelt helps Xavier learn to take every chance he has to help others when he gets assigned the most boring job in the museum--map hander-outer. This episode-based Penguin Young Reader is perfect for emerging readers!

The Three Graces of Val-Kill Penguin

The Three Graces of Val-Kill changes the way we think about Eleanor Roosevelt. Emily Wilson examines what she calls the most formative period in Roosevelt's life, from 1922 to 1936, when she cultivated an intimate friendship with Marion

Dickerman and Nancy Cook, who helped her build a cottage on the Val-Kill Creek in Hyde Park on the Roosevelt family land. In the early years, the three women—the "three graces," as Franklin Delano Roosevelt called them—were nearly inseparable and forged a female-centered community for each other, for family, and for New York's progressive women. Examining this network of close female friends gives readers a more comprehensive picture of the Roosevelts and Eleanor's burgeoning independence in the years that marked Franklin's rise to power in politics. Wilson takes care to show all the nuances and complexities of the women's relationship, which blended the political with the personal. Val-Kill was not only home to Eleanor Roosevelt but also a crucial part of how she became one of the most admired American political figures of the twentieth century. In Wilson's telling, she emerges out of the shadows of monumental histories and documentaries as a woman in search of herself.

Eleanor Roosevelt's Book of Common Sense Etiquette

Penguin

Volume 1 chronicles Eleanor Roosevelt's development as diplomat, politician, and journalist in the years 1945-1948. It is filled with original writings and speeches that have been annotated and made easily accessible through a comprehensive index. This is part of the Eleanor Roosevelt Papers Project as the first of a five-volume set covering the years 1945-1962.

My Day Lerner Publishing Group

The central volume in the definitive biography of America's most important First Lady. "Engrossing" (*Boston Globe*). The captivating second volume of this Eleanor Roosevelt biography covers tumultuous era of the Great Depression, the New Deal,

and the gathering storms of World War II, the years of the Roosevelts' greatest challenges and finest achievements. In her remarkably engaging narrative, Cook gives us the complete Eleanor Roosevelt—an adventurous, romantic woman, a devoted wife and mother, and a visionary policymaker and social activist

who often took unpopular stands, counter to her husband's policies, especially on issues such as racial justice and women's rights. A biography of scholarship and daring, it is a book for all readers of American history.
