*Chosin Star When Hell  
Froze Over Gyldendal*  
A/S  
Two boys are delighted  
when their father  
brings home a pet  
monkey.  
To Dance with Horses  
Carl Fischer, L.L.C.  
Jimbo Algernon  
Blackwood - A seven-  
year-old boy suffers a  
near-fatal injury, after  
which he lingers for  
days between life and

death. In this liminal  
period, the young  
protagonist undergoes  
a bizarre experience  
wherein he feels as if  
he has become  
untethered from his  
physical body. Filled  
with both hopeful  
wonderment and  
bursts of sheer,  
unadulterated terror,  
Jimbo is a strange and  
satisfying read that will  
stick with you long  
after you've finished it.

Classics)* Forgotten  
Books

Who Killed Jimbo Jameson? is a scandalous crime fiction novel written by first time author Kerrie McNamara. The book is the first in a series that follows Detective Maddie Griffiths, a strong and sassy woman who doesn't always "get her man" professionally or personally. All the good ones are taken and the bad ones get away with it. Or do they?

A futuristic punk ventures through a madcap, dystopian fantasia in this astounding work of comics literature by a celebrated artist and illustrator. Gary Panter is one of America's great creative forces: the illustrator for the trailblazing punk magazine *Slash*, set designer for the legendary TV show *Pee-wee's Playhouse*, and one of the wildest, most innovative comics artists of all time. **Jimbo: Adventures in Paradise** is a leap into

the uproarious life of Panter's ever-cheerful punk everyman, **Jimbo**, and a perfect introduction to Panter's ever-shifting style. Amid a jumbled cityscape of rundown New York City streets and futuristic Los Angeles freeways, **Jimbo** crowd-surfs at a riot, makes amends with Ernie Bushmiller's Nancy, and rescues his pal Smoggo's sister from giant cockroaches, all while the world teeters between extravagance and apocalypse. Veering from the crude to the elegant, the wise to the funny, **Jimbo: Adventures in Paradise** proves Panter is a master of cartooning, and still way ahead of the rest of us.

**Jimbo** Simon and Schuster

p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Arial} In this spectacular graphic novel, Panter has transformed his protean punk hero Jimbo into the protagonist of a reinterpretation of Dante's Purgatorio.

After years of comparing Dante and Boccaccio to find commonalities between the two, Panter developed a narrative of his own that includes literary and pop references regularly injected throughout the captions of the reinterpreted cantos.

Jimbo Sea Song  
Publications

This novel could best be described as historical fiction since it

is based on actual events that the author experienced firsthand during the year 1950 and uses both real and fictional characters as well as real and fictional events.

Following the second war to end all wars, a group of young men stationed at Pearl Harbor, Hawaii, find themselves in a virtual land of enchantment. Though not exactly a murder mystery, the book begins with the investigation of the murders of two young boys that takes place at a now-defunct military base, Camp Catlin, on the island of Oahu. The narrative follows the exploits of these young marines, who eventually get caught up in an unexpected war in an unexpected place. There is mystery,

romance, humor, camaraderie, deceit, betrayal, dilemma, death, hardship, and pain as the book shifts from part one in the tropical splendorous heaven of Hawaii to part two, in the frozen hell of war-torn South and North Korea. If you enjoy adventure filled with twists and turns, this is the book for you.

### **Jimbo Comes Home and Other Stories**

iUniverse

In 1993, the San Bernardino Valley became ground zero for a plethora of torture and murder. The Satanic Underground proclaimed war on the independent meth cooks and their associates, reclaiming their rightful place as the sole manufacturers of high-powered methamphetamine distributed and sold to

the drug populace, turning human beings into soulless ghouls of the night that would do anything to satisfy their craving for the devil's drug.

“Exotic, entertaining . . . [an] exceptional first novel.”—San Francisco Chronicle The year is 1861. After two centuries of isolation, Japan has opened its doors to the West. And as foreign ships threaten to rain destruction on the Shogun’s castle in Edo, a small group of American missionaries has arrived to spread the word of their God. They have yet to realize that their future in Japan has already been foreseen. For a young nobleman has dreamt that his life will be saved by an outsider in the New Year. . . and it is said that Lord Genji has the

gift of prophecy. What happens next—when the handsome lord meets an apparently reformed gunslinger and a woman in flight from her own destructive beauty—sets the stage for a remarkable adventure. For as this unlikely band embarks on a journey through a landscape bristling with danger, East and West, flesh and spirit, past and future, collide in ways no one—least of all Genji—could have imagined. Praise for *Cloud of Sparrows* “The book seizes you from start to finish.”—The Washington Post “Adventure-filled.”—Entertainment Weekly “Rich . . . with an ambitious, unexpected ending that cuts deeper than a samurai sword.”—San Francisco Chronicle

### **Jimbo! Don't Go!**

Austin Macauley Publishers  
 Cartoons offer a satirical look at America through the experiences of Jimbo as his girlfriend is kidnapped by cockroaches and he faces his fears of nuclear war  
*Meth War* Palala Press  
 Fleet-footed and capricious, the essays in *Glass, Light & Electricity* wander through landscapes both familiar and unfamiliar, finding them equal parts magical and toxic. They explore and merge public and private history through lyric meditations that use research, association, and metaphor to examine subjects as diverse as neon signs, scalping, heartbreak, and

seizures. The winner of the 2019 Permafrost Prize in nonfiction, Shena McAuliffe expands the creative possibilities of form.

### **JIMBO A FANTASY**

Enrico Antiporda  
An accident leads to the death of Jimbo Ferris. The responsible party runs away. The police arrive. Two witnesses tell two different stories, and the accident suddenly becomes a crime. An arrest is made. One of the officers, however, suspects that the wrong person has been arrested, revises the original report, and begins an investigation. Another accidental death takes place, this one a mistaken-identity murder, and suddenly the lives of the original perpetrator, the arrested person, police

officers, both victims' family members, and people with little connection to either death undergo changes. It's a quirky crowd. Some do well, some don't, some you like, some you don't, some are dreamers, some are angry, some are in love, some are out of love, and some, it seems, may be a little kooky. One thing is clear: The ripple effect is alive and well. [The Great Jimbo James](#)  
E-Artnow

This is an ILLUSTRATED CHILDREN'S BOOK that contains over 80 whimsical illustrations and about 8,000 narrative text. It is recommended for children age five to twelve years old. In the *Stow Away Cat* (Book 2 of the *Adventures of Jimbo Series*), Jimbo finds himself facing the

biggest trial of his kitty life: he is lost in a foreign land and must find his way back to California. This highly entertaining adventure story is filled with aha moments both children and adults will enjoy. What reviewers are saying about *The Adventures of Jimbo*: "With a narrative filled with wisdom and insights, this book harks back to classics like *The Little Prince* and *Jonathan Livingston Seagull*. This is a book that children, young adults, and adults will enjoy." *The Seattle Post I*  
*Jimbo* Permafrost Prize  
*Jimbo*  
**The Adventures of Jimbo, the Homeless Cat** *New York Review of Books*  
*Jimbo* James thinks

being a magician is easy until a rabbit teaches him a trick or two!

*Jimbo's Assumption*

Forgotten Books

A supernatural fantasy about the mystical adventures of a lonely English boy named Jimbo--who can fly! It's really quite beautiful and can be enjoyed by adults and teenagers alike. Be warned, however: The death of a beloved character and a creepy old house haunted by the wraith-like spirits of children makes some of this story far too scary for younger kids or indeed anyone of a sensitive disposition. Algernon Blackwood (1869-1951) was born in south London and wrote many tales of the supernatural.
